TIMELY FOCUS:

- ▷ What is happening to society/culture and to public schools?
- ▷ What is happening to homes, churches, and kids?
- ▷ What *should* be happening in *our* homes, schools, and churches? How?

Dr. Hayes will update and expand upon the content presented to pastors and principals in September, 1994, on the topic...

“Public School: On the Surface, Neutral, But Like the Jungle, It’s Not!”

Note:

A CD of the 1994 workshop was distributed to all affiliating ministries in May. It is advantageous to study this content prior to attendance.
