About the Band and Strings

Band: *Ninety junior high and high school students from the Association's schools throughout Pennsylvania have been selected for this All-State experience. They have been selected through screening procedures, including consideration of their character, standing in their school, long-term interest in using instrumental music in their future education and adult lives, and their work with the repertoire.*

Strings: *The West Chester Christian School String Club has invited guest string players from KCEA schools throughout the state to join them for an All-State-type experience, thus providing a breadth of exposure to music literature and musical training.*

In Appreciation...

All of the parents, school music/band directors, sponsors, and chaperones for their work with and encouragement to these young people
